

PARISH COUNCIL UPDATES

Welcome to our Autumn & Winter 2026 newsletter. What a summer we have had! Thank you to everyone who supported our Summer Event in July, we all had a fabulous time listening to music, chatting, browsing stalls and taking part in the boat race. The weather was glorious, and the children had a fantastic time. We hope to do this again next year - we had just over £100 in donations for our Events reserves. Thank you to everyone who donated.

The Parish Council still has a vacancy at the time of writing. If you are interested in being co-opted as a Parish Councillor, please contact the Clerk at clerk@nether-langwith-pc.gov.uk. We welcome Councillor Matt Jones, who was co-opted in April and Phil Ray was elected Chair of the Parish Council at the Annual Council Meeting in May.

REMEMBRANCE SERVICE

This year, Remembrance Sunday will be on 8th November. There will be a service on the green starting at 10:55am. Prior to this, there will be a service at St Luke's at 10am. Further updates will be posted on our Facebook page and website nearer to the time. There will also be a wonderful display on the village green, with many thanks to the hard work of Knit & Natter once again.

CHRISTMAS EVENT 2026

We are holding our Christmas Event on Friday 27th November, and we hope you can join us!

The Christmas lights will be turned on at 6pm on the Village Green. After, this we are heading to the Village Hall for stalls, music and a Quiz to welcome us into the Christmas spirit.

Please contact the Clerk if you are interested in holding a stall! We will be collecting donations for our Events and Village Hall fund.

VILLAGE HALL UPDATES

Nether Langwith Village Hall has a beautiful new sign! We hope you love it as much as we do. It should now be easier for people to locate us. Also, thanks to Welbeck Estates for clearing the area to the rear of the building and addressing overhanging trees and overgrown shrubs - great job!

The CPR and Stop The Bleed session, delivered by Councillor Dr Kelvin Wright, was well attended, and we are pleased to be in receipt of the new life-saving Stop The Bleed kit, housed within the defibrillator unit. Thank you to Kelvin for running this session for residents.

Village Hall reminder: You can hire the village hall for only £10 per hour. It has a new kitchen, toilets, Wi-Fi, and everything you could need for a meeting, party or class. Our coffee mornings are growing well and are advertised on the village hall noticeboard and online. We also look forward to welcoming more classes to the village hall soon. There will be more details about these classes and events soon.

Got an idea for the hall? Book today at nether-langwith-pc.gov.uk or scan the QR code below.

- **Parish Council meetings** - These are held at the Village Hall and are open to the public. Meetings usually happen on the first Thursday evening of the month. Everyone is encouraged to attend. You can find agendas online and on the village hall noticeboard. We would love to see you there.

- **Parking Issues on Limes Avenue and Queens Walk** - We have received complaints about parking on Limes Avenue at the junction near the Jug and Glass, and on Queens Walk. We understand parking is an issue in the village, and we must be mindful of other vehicles, properties and access for emergency services. The County Council/Via EM are looking into whether double yellow lines are required in parts of these locations.

- **Local Government Reorganisation** - In July, the boundary proposals for the Local Government Reorganisation were decided, with more details yet to be announced. The Government chose the final option put forward by Nottingham City Council, which will replace the existing nine councils across Nottingham and Nottinghamshire with two new unitary councils. In Bassetlaw, we will be part of a new "Nottinghamshire" unitary council, alongside Ashfield, Mansfield, Newark & Sherwood, and parts of Broxtowe, Gedling, and Rushcliffe. How this will look like and what the impact or change may be on services is yet to be announced. Updates to follow.

- **Village Green** - The recent hot weather meant it was a busy time on the Village Green, with lots of picnics and visitors. Whilst we welcome people using the open space, we do not welcome litter being left on the green. We also do not have the capacity to bin bulky items. Please take rubbish home with you. In Bassetlaw, littering could cost offenders a £100 fixed penalty notice (on the spot) and sometimes could be more.

VILLAGE GREEN IMPROVEMENT WORKS

You may have noticed that one of the benches has been removed from the village green. This is due to the bench needing repairs and painting. It will be back in a slightly different position when the funding for the wider village green works is approved. These works include repairs to the river walls, new signage, and works to ensure that the trees on the village green are safe.

MACMILLAN COFFEE MORNING

On Friday 25th September, there will be a Coffee Morning in the Village Hall (Queens Walk), raising money for Macmillan Cancer Support. If you can, please join our village volunteers from 9:30am until 12:30pm for a great selection of cakes, biscuits and hot drinks, all raising money for a great cause. Cake and money donations are welcome!
