

**Nether Langwith Neighbourhood Plan
Advisory Committee Meeting**

Minutes

Time: Thursday 10th November 2022, 6.30pm - In the Village Hall, Queen's Walk

Chair: Janet Smith, Vice-Chair: Debbie Ball

Item 1.	Apologies for Absence Matthew Evans In attendance Janet Smith, Debbie Ball, Martha Rees, Kath Sharpe, Phil Ray, Hazel Renshaw.
Item 2.	Declarations of Interest None
Item 3.	Minutes from Last Meeting (21st September) Approved unanimously
Item 4.	Agree article for inclusion in Parish Newsletter Janet had supplied a Newsletter draft containing questions relating to the three issues the AC wanted help with. We felt that if we mentioned the statutory consultation (YourLocale suggestion), residents may opt to wait rather than comment now; we want comments now! - we agreed not to include it. We felt that residents have very little knowledge of the Neighbourhood Planning process and to try to explain all the implications of any particular option (BDC feedback) would be too complicated. For all three issues we agreed we wanted to be as open ended as possible so as not to not lead the sort of comments and feedback we may get back. We agreed that comments and feedback provided by residents, YourLocale and Bassetlaw District Council together with input from the Parish Council would all be considered together early in 2023. a) Cotton Mill Renovation and Redevelopment We felt this issue is the trickiest, any decision will probably have knock on implications for the next stage of our Neighbourhood Planning (BDC comments). We agreed to simply ask residents for ideas on what (if anything) they'd like to see the Cotton Mill turned into, whether there is anything they'd specifically not want and how big the area any development area should be. b) Community Facilities With the addition of the allotments on Kitchener Terrace the draft was accepted. c) Parking The draft was accepted If space allows the Clerk's email address should be included in the text.
Item 5.	Next Steps Incorporate changes into Newsletter, recirculate tomorrow (Fri), feedback before 9am Monday morning (going to print). AECOM Design Codes report should be available early December; to be circulated upon receipt.
Item 6.	Date and Location of Next Meeting Next meeting: tbc but will be in 2023 at 6.30pm at the Village Hall and will NOT be on a Tue/Wed/Sat/Sun. Ho, Ho, Ho – Merry Christmas and a Happy New Year. 2023, the year the Nether Langwith Neighbourhood Plan gets MADE.
